Please note that the school recruits the Learning Assistants on behalf of the parents whose children have Special Educational Needs and/or Disabilities (SEND) and require one-on-one learning support; and the salary of the Learning Assistants is paid by the parents of the children through the school. The Learning Assistants are Independent Contractors and not employees of the school.

Rainbow International School Uganda is a safer recruitment school and is committed to safeguarding and promoting the welfare of children and young people. Applicants must be willing to undergo appropriate child protection screening and rigorous background checks (including contacting previous employers). The successful candidate must possess a valid original National ID card and will be asked for a recent Interpol check, certified copies of relevant academic documents as well as any other documents that may be required for employment.
